Why partner with Rush Soccer?

We as community leaders live by our [core values](#), both on and off the field. More than words, they are our mantra: respect, passion, safety, leadership, tenacity, humility, advice, unity, accountability, empathy, and enjoyment. We continually conduct ourselves in a way that aligns with these values, and we encourage our players and parents to do the same. We lead by example and this is contagious. "[The Rush Way](#)" encompasses these values and is something players and coaches alike are proud to represent.
