

The journey towards the 2014 US Youth Soccer National Championships is underway and Alaska Rush have taken a step in the right direction as they captured 2 state titles in the recent Alaska State Cup tournament. The U15 Girls and U12 Rush boys both walk away with team titles and will be invited to the 2014 Far West Regionals tournament to be held in Albuquerque, New Mexico in mid June.

The U12 Alaska Rush girls also had a great showing in the tournament falling in the State Cup final.

Great start to the 2013/14 season Alaska Rush!
