

Thank you for visiting the Oregon Rush website.

Many of you may have received a letter stating that Rush will no longer be available in Bend. This is not the case. Rush is present and strong. We are very proud of the fact we are members of the largest youth soccer club in the world. We have been members for 7 years and will continue down this path. There will be some exciting New changes, new leadership, and some fresh new ideas.

There are many benefits being part of the Rush Organization. We will continue to offer the same benefits and more. Being part of a National affiliate brings us programs such as guest playing, select teams, on line coaching curriculum, unmatched partnership with Adidas, sponsorship opportunities, coaching education and more.

We will continue to update this site with more information in the coming days.

We will have a town meeting to share with all of you our plans moving forward. Thank you. Oregon Rush Management.
