

Rapids game at the FEST!

We are very excited to announce that the Rapids play at home at [Dicks Sporting Goods Park](#) vs

New England Revolution on the [Wednesday of the Fest](#). This is great news as the Fest has not been in a [MSL](#) territory for a few years since Kansas Rush Fest.

This is an awesome opportunity to see the highest league of soccer that the nation has to offer, and if the past is anything to go by, Rush creates an unbelievable atmosphere and we are hoping to bring over 350 people to be loud, crazy and have a great night.

Fest is pleased to announce that we have discounted tickets with a savings of \$5 a ticket against buying it at the door. The whole group will be sat together and wearing our Rush gear!

You can [find more information on the Rapids](#), including their schedule, results and the players you want to cheer from.
