prepared for this year's Tournament and their first test would be against Cincinnati Soccer Alliance Elite. Opening the tournament with authority, Rush came out on top with a 6-2 victory. A total of five different players tallied goals.

With the sun coming out and fields drying, Rush next took the pitch against Yardley Makefield Fusion. YMS had a solid start to the game and set the Rush back 2-1 at half time. The Rush rallied and returned to the field with 2 unanswered goals followed by a somersault celebration in the corner! Rush finished the game with another victory, 3-2.

Although victorious in both Saturday matches, Nike was a point behind the bracket leader and next opponent, Piedmont Triad FC, but guaranteed a fourth game for the weekend. Piedmont came into the match unscored upon and Nike was do or die. An intense back and forth match, Rush found the back of the net on a first time volley in the first half to take the lead 1-0. The second half continued to pick up intensity with each team having excellent opportunities and showing excellent defense. Rush stayed composed and held their lead advancing to the finals to meet Century United of Pittsburgh.

Century had worked its way through its bracket and the final was sure to be a hard fought match. Working to overcome injuries to several players, Nike got caught early and went down 0-2 by half time. Showing a resurgence and never give up attitude, Nike tallied it's first goal and continued to provide tremendous pressure on the Century defense. With time running out Century captured the last goal of the match leaving Nike as a finalist in a well-played match. Over all, Nike had an excellent weekend the Century Coach complimented the boys stating, "I saw you guys play at the Pre-Academy Showcase and was impressed, you are the kind of team we come to these events to play. You play soccer the right way and that is a testimony to the caliber of club Virginia Rush is." Congratulations U13 Nike Boys!
