

Florida Rush will be sending two teams to the Region III Championships in Oklahoma June 20-25.

The U14 Boys (at right) earned the clubs 7th State Cup title in the last five years with a 2-1 victory over Florida Fire Jrs. The U15 Nike boys reached the State Cup Championship game only to fall to the current #1 ranked team in the nation. However, the 15's have earned a wild card spot and will also be heading to Region III in just under one month. Both teams look to match the success of last years U18 Florida Rush boys who won the clubs first [National Title](#).

Florida Rush also had some great showings on the girls side of State Cup with the U14 Nike girls making it to the Final Four falling to the eventual State Champs.

Great job Florida Rush and good luck in Oklahoma!
