

Although it was a little chilly, hundreds of Florida Rush supporters bundled up in warm clothes with hot chocolate and showed up for "Florida Rush Night" to cheer on the U18 Nike team as they defeated the U17 Mens National Team by a score of 1-0.

From the moment U13 Nike player Samantha Boshears started the game by singing the National Anthem to the winning goal scored by Nick May, West Orange Soccer Complex was filled with excitement throughout the evening.

Congratulations to both teams for an excellent exhibition match!
