

Although none of the three Rush teams attending US Youth Soccer Nationals at the end of July were able to walk away with the championship trophy, several Rush players were named to the Inaugural Best 11 teams for their various age groups.

At U18 girls, Kaitlyn Bassett, Cassandra Hanna, Kelsey Loupee and Annie Kunz were named to the Best 11 squad after leading the Colorado Rush girls to overtime of the championship game before ultimately falling to FC Milwaukee 4-2.

Felipe Oliveira of the U17 Florida Rush was also named to the U17 Best 11 team for his play during the teams three games played at Nationals.

Congratulations to these Rush players and all that made the National Championships!
