

Over the past several months, Rush clubs from across the country have been hard at work creating pages specifically designed for its members. The 'Rush Member Pages' are now available for viewing by Rush Technical Directors, Staff, Coaches, Parents and Players.

Sign in to get tons of information ranging from The Rush Way, to Coaching Education to Sports Psychology.

To gain access, click on the Black Button on your website that corresponds to your membership type. From there, fill out the Rush Membership form. Once you've completed the form, your account will be reviewed to ensure membership, and an administrator of your local club will activate the account.

Before you can complete your Membership Form, you'll need to obtain your Club Code. This can be retrieved from your local club (many have already emailed the codes out).

Enjoy the Rush Membership Pages!
