

Attention Rush fans: after many long months of hard work, we are excited about our new & improved Official Rush Soccer Fan Store! The fan store concept itself is still new - roughly a year old – but we realized the old site just wasn't good enough for our diehard fans, so we wasted no time improving your shopping experience.

Be sure to visit www.ShopRushSoccer.com for all your official Rush Soccer fan gear. We have stylish apparel in men and women's styles, not to mention in both adult and youth sizes.

And as if the new site wasn't enough, we've also added an array of new gear and apparel prints! Don't fight your curiosity on this one – drop by shoprushsoccer.com and discover everything for yourself. Be sure to check back often as we are continually adding more merchandise.

Last but certainly not least, to spread the excitement we are offering **20% off your next order** – but hurry, this offer ends at midnight on August 17th! Simply use coupon code "RUSH20" on any size order, no minimum amount required, and no maximum limit!
