

A representative team from Manchester, England is visiting Colorado Rush in preparation for competing in the Denver Cup August 1-4. The U15 Manchester Schoolboys team is made up of some of the best soccer players in their area - some of whom are attached to professional clubs already. Colorado Rush are honored to host Manchester Schoolboys and hope that this is the first of many such interactions. A huge thanks goes out to the Rush families who are hosting the Manchester players and coaches. This has already been a fantastic experience for all involved.

Manchester will take on Rio Strikers (NM), the U14 Colorado Rush US Academy team and the Cheyenne Sting in the Colorado Rush hosted Denver Cup.
