

[The R.E.A.C.H. Program](#) (Rush Equipment Assisting Children) wants to thank all the Rush Domestic Clubs that actively participate in this inspiring program for all their continuous efforts and donations. Every single uniform, pair of cleats, or soccer ball that you have donated will make a huge difference in many other soccer players in need throughout the globe. As we announced in a [previous article](#), this past 2013 the R.E.A.C.H. Program has shipped +24,000 items of gently used equipment both domestically and internationally! It might sound like a cliché, but none of this would be possible without the joint effort of the whole Rush Family.

A portion of this incredible amount of donations were part of the [Rebate Uniform Program](#), which collected over 1,100 uniforms this past year (2,264 jerseys and 1,132 shorts). The Rebate Uniform didn't just collect an enormous amount of uniforms, but it also generated more than +\$20,000 of revenue to the Rush Families that turned in their old competitive uniforms when purchasing a new one. What an incredible way of helping others while getting \$20.00 for it!

Did you know about the Rebate Uniform? You can earn \$20.00 very easily by donating your old uniform as you buy the new Adidas Competitive Kit! Your old uniform will be used elsewhere by a kid eager to play soccer!
