The BU13 Rush Select are in Italy for friendly matches and the Margine Pro Tournament. After good showings in the friendlies, Select VA tied Livorno in the final round robin game of the tournament and missed out on advancing to the super group quarter final on goal difference. They face AC Milan Sydney Academy of Australia in their play off.

Select CO tied Sienna which got them in to super group and they will face host club Fiorentina in the quarter finals!

Guaranteed at worst a top 8 finish out of 24 international teams! Great job Rush Select and good luck in your final games.
