

With the dust finally settled after 2 straight weeks of regional competition, Rush will be sending 4 teams to the National Championships in Maryland July 22-27. This is the first time in the history of the club that 4 teams will be attending Nationals in the same year!

The U15 [Delaware Rush](#) boys will be the [Region I](#) representative after their superb showing in Rhode Island over the past weekend. Despite their loss in the final game, they will be advancing as the team who beat them, had already qualified for Nationals through the US Soccer National League.

Speaking of the National League, three other Rush teams will be attending Nationals due to their success in the National League. The U16 [Maryland Rush](#) Coyotes (who also lost in the Region I Championship) will join the U14 [Tennessee Rush](#) Lobos boys and U15 Tennessee Rush Lobos boys in Maryland in a few weeks time.

Congratulations to all four teams and good luck at Nationals!
