

This past week Curaçao Rush was represented with 4 players getting invited to play with the Curaçao U15 National Team. Pictured are the boys checking in at the airport together on their way to the CONCACAF tournament in Grand Cayman. CSU Rush players William Plaate (GK and unofficial captain chosen by the players), Naizier Guanipa (L/R Winger), Quintley Ogenia (Defender) and Jesuel Lanooi (attacking midfielder/ winger) represented their club and country on this trip. They are also members of the Curaçao Soccer Academy who are the basis of the Curaçao NT with 50% of the players. Well done to the boys and we wish you continued success!
