

Alex Carcano of [So Cal Rush](#) has made the big move and transition from So Cal to the U17 Academy at [Texas Rush](#). Alex has spent the last couple of months in Texas training with the team, and making herself an integral part of the squad.

Alex just participated with the Texas Rush ECNL U17 team at the [ECNL Arizona Showcase](#) this last weekend 9/29-10/1 and performed very well. She has been playing in the midfield and helped out as a left striker, all the while pulling off a goal with her non-dominant left foot in the third game of the showcase. The 17's went 2-1 over the weekend with wins over Pleasonton Rage (3-1) and Vardar (3-2). The team's next Showcase is 12/28-12/30 in Florida.

Here's a link a story written about her in the Daily Press:
