

Wednesday, February 5th marked National Letter of Intent Day for High School Seniors around the country. This is the day when Seniors can officially announce what schools they will be playing at in the fall. Well over 100 Seniors from across Rush nation will be continuing their education, and playing their favorite sport at the schools listed below.

Congratulations to all of you. It is a long process to get to this point and you all should be commended for the thousands of hours you have put into playing the game to get to this point. Good luck in the fall!
