

The 2014 coaching education trip for Rush Soccer coaches has gotten off to a fast start! The coaches have attended a La Liga match, Atletico Madrid versus Espanyol, attended local academy games for the Rayo Vallecano club in Vallecas, Spain (a suburb just outside of Madrid), seen a first division women's La Liga match (Rayo Vallecano versus Sevilla), and been able to watch a men's first team training session for Rayo Vallecano, along with a U16 boys Academy training session with Atletico Madrid.

On Monday, the coaches were able to do some exploring in downtown Madrid, enjoying the markets, local eateries and some of the amazing architecture. The coaches are definitely enjoying their time and learning a lot at the same time!
