# FOOTBALL CAPITAL

In Madrid it is almost impossible not to feel when it is 'match day'. Real Madrid, Atlético de Madrid and Rayo Vallecano are the three main clubs in the city's century-old football history since their respective foundations in 1902, 1903 and 1924.

In Madrid it is possible to watch top-level football almost all year round. Two teams from the capital (Real Madrid and Atlético de Madrid) and two from the Region (Leganes and Cetafe) play in LaLiga, the highest category of Spanish football.

### LARGE STADIUMS

The excitement of football is part of the air that you breathe in the city and those who come to Madrid know it. Football has even made its way into the ranking of visitors to museums, and both the Bernabéu Tour and the Metropolitan Wanda Tour.

### FRIENDLY CITY

Above all, those who visit Madrid appreciate the very friendly spirit of the city, always with a great cultural, leisure and gastronomic atmosphere.

### FOOTBALL SUCCESSES

Madrid lives football like few other cities in the world. There are many reasons for this: Real Madrid won its thirteenth European Championship in the 2017-2018 season and its fourth Club World Cup, and its great rival in the city, Atlético Madrid, won its third UEFA Europa League.

# SEA AND SOCCER

Talking about Barcelona and sport makes it necessary to mention soccer. With two teams in the first division and one of them considered the best in the world on several occasions, it is natural that there are stores, museums and facilities of all kinds that revolve around it. The FC Barcelona museum, one of the most visited throughout the year, is located next to the Camp Nou, a modern stadium with high-level facilities that fans from all over the world can also see.

# SPANISH IMMERSION

There are not many cities like Valencia, it is the third city in Spain, located on the Mediterranean coast, with good beaches, one of the largest historical centers in the country, a pleasant climate all year round, and sporting and cultural events as well as a great cast of native festivals known worldwide.

## NOT ONLY BARÇA

In Barcelona you can breathe soccer everywhere. Not only for Barça but also for Real Club Deportivo Espanol, the second team of the city that has its field in Cornellà.

## MUST SEE

Wherever you are in Barcelona, there's always something to see: jewels of Catalan art nouveau, modernisme, and contemporary architecture, markets that are a treat for the senses, ancient Roman and medieval treasures...

## HISTORY OF BCN

The cradle of Catalan culture, amongst many other cultures and civilisations, and a witness to major transformations such as the Industrial Revolution or the Civil War amongst many others, Barcelona has a fascinating history.

## LEADING CITY

Let yourself be seduced by one of the most beautiful and modern cities in Spain. A centre of trends in gastronomy, art, fashion and with a exceptional cultural offer.

## UNBEATABLE WEATHER

Due to its geographical position, València has a typically Mediterranean climate. More than 300 sunny days a year guarantee us and make València the perfect destination. The average temperature of the city is around 19°C. València has a privileged climate throughout the year.

## FOOTBALL LOVERS

In only a 70km radius we can find up to three first division teams of LaLiga Española: Villarreal CF, Valencia FC y Levante UD. This places València as one of the main footballer foci in Spain.
