**Angelica Cano.**  
I am so grateful to SPF, Spain Rush. My son has learned a lot, but more than that, it is the discipline that has made him a better player and a better person. Spain Rush is education for life.

**Avinoam Cohen.**  
I want to say that SPF is like family to me, from the begining all was handled in a very professional way, all visa issues, school and for sure football training in the mornings with Spanish clubs! the team are very professional and kind. If needed I'm available to call to recommend.

**Sherif Harydi**  
Well organised, passionate team of professionals. They are willing to take extra steps to help and support when needed. They care about all details of daily life not only football related issues, well connected with many Spanish football teams.
